VOLUNTEER COACHES ARE NEEDED FOR THE D-LEAGUE!

The success of the Westy Juniors Basketball program is dependent on enthusiastic and positive volunteers each season to coach one of our Juniors Sports teams. Coaching a team of youngsters can be a tremendously rewarding experience, giving you the opportunity to help young players grow and learn while experiencing success. No prior coaching experience is necessary. As a youth sports Coach, you will be given the resources and support to help you succeed. If you have a child playing in the Juniors program, you can be involved and coach their school team.
